SECTION 1. That the contract dated June 7, 1977,  
between the City of Fort Wayne, by and through its Mayor and  
the Board of Public Works and Hersey Meter Products for  
blanket purchase order from July 1, 1977 to December 31,  
1977 for water meters, all as more particularly set forth  
on City Utilities Purchase Order No. B-9010, which is on  
file in the Office of the Department of Purchasing and is by  
reference incorporated herein, made a part hereof and is  
hereby in all things ratified, confirmed and approved.

SECTION 2. This ordinance shall be in full force  
and effect from and after its passage and approval by the  
Mayor.

APPROVED AS TO FORM  
AND LEGALITY,

Read the first time in full and on motion by Burns, seconded by

Ottis, and duly adopted, read the second time by title and referred to the Committee on City Hall (and the City Plan Commission for recommendation) and Public Hearing to be held after due legal notice, at the Council Chambers, City-County Building, Fort Wayne, Indiana, on \_\_\_\_\_, the \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_\_, at \_\_\_\_\_ o'clock \_\_\_\_\_ M., E.S.T.

# Memorandum

To H. P. Wehrenberg, Board of Works Date June 9, 1977  
From Ruth Winget, Purchasing Department  
Subject Bid Reference #430, Water Meters

## COPIES TO:

J. Morreale  
B. Drew

Herewith are bid documents (Bid No. 430) relating to Purchase Order Numbers B-9009 and B-9010 prepared favoring Rockwell International Meter and Hersey Meter Products for Water Meters for Water Maintenance and Service Department.

The attached June 1, 1977 Memorandum endorsed by the Superintendent of Water Maintenance and Service and the Chief Water Engineer explains the reasons for favoring Rockwell International Meter for meters 5/8" through 1" and Hersey Meter for meters 1 1/4" and larger.

Rockwell International Meter	\$106,258.00	(Not including
Hersey Meter Products	5,788.51	Scrap Allowance)

Total Approximate Value: \$112,046.51

Attached are the following documents in support of the recommendation for acceptance of Rockwell International Meter and Hersey Meter Products bids:

1. Copy of tab sheets.
2. All vendors bids.
3. Copy of Purchase Order
4. Copy of bid mailing list.

It is urged that in referring this bid-quote to the City Council for enactment of an ordinance, that all of the attached items, together with this memorandum (or copies), be included with the proposed ordinance.

Please make sure that no confirming Purchase Order Number (s) is given to Rockwell International Meter and Hersey Meter Products until evidence of Council approval is furnished to the Purchasing Department.

  
R. A. Winget

Approved:   
A. C. Lord

June 1, 1977

TO WHOM IT MAY CONCERN: 

The following is a recapitulation on the Rockwell Sealed Register Water Meter from the early 1960's to the present.

Of the three meters that we have purchased since 1964, the Rockwell SR-meter has given us the best service, the factory warranty is one of the best. We have yet to purchase a hermetically sealed register or measuring chamber, they are the expensive item in the meter. We do have a few repair parts in stock which are used in the case of frost or hot water damage to the meter.

After the meter has been repaired, it is tested and the test results show very few rejections over the years.

Since the register is hermetically sealed the problem of dirt, water and condensation that fog dials has been eliminated.

The meter is virtually tamperproof, the sealed register is fastened in the main case with a special nut, only then can it be removed with a special tool furnished by the manufacturer. (The other water meter manufacturers also have a magnetic drive meter but the register box cover is fastened to the main case with register box screws and a seal wire and lead seal; the customer can cut the wire and remove the register box and register from the main case between meter readings.)

The time required to repair the meter is short because of the compactness it is easy to handle. The repairmen need not repair the register, the only moving part is the piston in the measuring chamber.

The time that is required to prepare an SR meter for installation in the system is short, the meter does not require a wire and seal, all that is required is for a meter shop number to be stamped on the inside of the register cover and a tag affixed with the proper identification on it, the labor cost is minimum.

The above information also applies to the Rockwell Generator Remote reader read-out system,

At the present time we are repairing the following meters: Hersey-magnetic and mechanical, Badger-magnetic and mechanical, Camon-magnetic and mechanical, Neptune-magnetic and mechanical and Rockwell-magnetic only. The parts for the mechanical meter will not work in the magnetic meter and vice versa. This means that we maintain a parts inventory for two styles of meters. If we could eliminate the mechanical drive meters, we could cut the meter repair cost considerably.

We would like to standardize the meter repair procedure to two meters if possible. My recommendation would be the Rockwell Sealed Register 5/8" to 1" inclusive and Hersey from 1 1/2" and including all other larger sizes.

If we add another brand of meter to our stock, this would mean that we would have to stock additional repair parts which would add greatly to the cost of repairing water meters.

Quantity	Unit	Materials, Supplies, Equipment or Services	Unit Price	Total Amount
<u>WATER METERS - 1977 Requirements</u>				
For July 1, 1977 thru December 31, 1977 Specifications and Estimated usage attached.				
The enclosed Non-Collusion Affidavit must be properly executed and returned as part of your bid.				
We require a guaranteed firm price for all shipments made to us for which a Blanket Order will be mailed to the vendor, for the calendar year of 1977.				
These meters will be delivered in quantities as specified on individual departmental purchase orders, against the blanket purchase order required by the using department.				
Note: With your quotation, please include your scrap meter allowance and also, in triplicate, your latest complete repair parts, price sheets and show your repair parts discounts.				
Quote terms; and F.O.B. on new meters; and F.O.B. both ways on scrap meters.				

Bid Bond required   Performance Bond

See instructions Item No. 15 on reverse side hereof.

Terms Net % cash discount if paid within 30 days from delivery and acceptance of goods or completion of services.

## PROPOSAL OR BID

In compliance with the above invitation for bids and subject to all conditions thereof, the undersigned agrees, if this bid be accepted within a reasonable time from date of closing, to furnish any or all of the items or render such services upon which prices are quoted, in accordance with the specifications accompanying and at the price set opposite such items.

Delivery of any or all of the items or completion of services indicated shall be made within 25 days from receipt of order.

## IMPORTANT

As delivery may be a deciding factor in the award of an order, it is important that bidders furnish the information requested above.

**Subject: Bid 430 Water Meters  
Thursday, May 19, 1977 - 11:00 a.m.**

**Attention: A. C. Lord, Director of Purchases**

**Gentlemen:**

In accordance with your request, we are pleased to submit our proposal for furnishing 1977 Water Meter requirements to the City of Fort Wayne, Indiana.

We are bidding on the Rockwell Sealed Register Water Meter less and with Generator Register. These meters are described and illustrated in the enclosed catalog W-700-9.

We would like to bring to your attention the New Bronze Clad Guarantee XV. This new guarantee has a dramatic effect on the real cost of owning a water meter and of the income it produces. This guarantee states that Rockwell will guarantee each 5/8", 3/4" and 1" Sealed Register Water Meter sold under this bid will meet AWWA new meter standards for one year and AWWA repaired meter standards for the following fourteen years or Rockwell will repair or replace that meter free. In addition, all Sealed Registers (5/8" - 2" Positive Displacement Type Registers) manufactured since April 1, 1976 will carry a 25-year guarantee against defects and workmanship.

Bronze Clad Guarantee XV is a unique guarantee which excels over the best guarantee offered today by the industry and provides long term savings which should be considered when evaluating "total cost purchase of the Water Meter".

Prices as bid will remain firm for the period of one (1) year from the date of award. Delivery will be made upon your request within 45 to 60 days after the receipt of your purchase order fob Fort Wayne, Indiana. Our usual terms of payment are net 30 days.

Mr. A. C. Lord  
May 4, 1977

We sincerely appreciate this opportunity of bidding on your current requirements and trust our product prices and service will merit your favorable approval.

Very truly yours,

Robert J. Dianda  
Sales Manager

Reference: Bid Reference No. 430 - Closing Date -  
Thursday, May 19, 1977 @ 11:00 A.M.

Gentlemen:

We wish to acknowledge and thank you for notice of bids to be received. Accordingly, we have completed and return herewith your proposal form and trust these will be in order.

As required, we are including our complete meter repair parts list along with pricing sheet, in triplicate. We have indicated your parts discount on the cover of Form 421C-2 and this form outlines our terms, etc.

Included herewith is literature descriptive of the meters we have quoted, along with our Guarantee. We are including a copy of Neptune's Affirmative Action Program.

Our terms are net 30-days with freight prepaid on meter shipments of 36 or more meters, or 300 pounds or more. Delivery can be made as required.

Trusting our quotation will be met with favor, we remain

Yours very truly,

NEPTUNE WATER METER COMPANY
